## ABOUT OUR SUMMER CAMP:

What are some of the qualities and characteristics you'd like your children to have? Perhaps you'd like them to be curious about the world and ask questions. Asking questions, expressing ideas, utilizing problem solving skills and working with others are probably a few of the skills you'd like your child to develop. This summer, in addition to the benefits of martial arts, we want to support the learning goals you have for your children with our afternoon activities.

### Morning Fun Study Review

When children arrive we will work on math and english to keep their skills current and not lost over the summer. We'll present the review in a fun and competitive way. In addition we have set aside a reading time (children can utilize our books or bring their own).

### Martial Arts

Our campers will take martial arts class five days a week. They will be issued an official uniform

and also have the opportunity to earn their first belt. In addition to self defense they will learn why discipline, courtesy and respect is so important for good relationships and success in life.

## Exciting Adventures/Field Trips

Each day will be filled with exciting adventures. Here are just a few of the places we go to on our field trips:

- Pump It Up
- Bowling
- Chuck E. Cheese
- Nature Centers
- Movie Theaters
- GiGi's Pizza
- Miniature Golf
- Chesapeake Beach Water Park
- Marley Bounce

### Afternoon Activities

The afternoon provides opportunities to do art projects, crafts, cooking, or just enjoy quiet time. Children are divided into age appropriate groups and assisted with their chosen projects.
